

Dear Valued Parents,

We hope you're enjoying a restful and enjoyable summer break.

As part of our ongoing commitment to improving your child's experience, we've made some exciting updates to our meal and coffee shop offerings for the upcoming term.

We're pleased to announce the addition of new features, including:

- * A dedicated full-time chef at each site
- * Freshly baked croissants daily
- * Live cooking stations for breakfast and lunch
- * Fresh, nutritious lunch options prepared onsite

In collaboration with the Dubai Municipality, we have also made some adjustments to our dessert options. Due to new guidelines requiring zero added sugar, we've reduced certain dessert items and replaced them with a wider selection of fresh fruit. While this presents some challenges, we are confident it will support a healthier food environment for our students.

We are also in the process of finalizing our new online lunch ordering system, which will be launched soon. In the meantime, we will continue using JotForm for orders, following the same procedure as before. You can find the updated menus and pricing here:

Pre-ordered Meals - FS1 to Year 5

<https://form.jotform.com/Mastercook/Arcadia-Stripe>

Our E-Wallet cashless payment system remains unchanged. If you haven't already registered, please do so via the following link:

Cashless Payment System – Year 6 and above

If you have any questions or need assistance, our school coordinators will be happy to help.

Thank you for your continued support and partnership.
