

ARCADIA PREPARATORY SCHOOL OFFERS EXTRA-CURRICULAR ACTIVITIES AT NO EXTRA COST

Arcadia Preparatory School will offer its students an innovative program of curriculum-based learning delivered in harmony alongside a stimulating selection of extra-curricular activities such as coding and robotics, animation, music and photography.

The Enrichment Learning Programme (ELP) is a forward-thinking and all-inclusive program delivered as part of the extended school day, which will see the days extended from 2 pm to 4 pm Sunday to Thursday. It is designed to enhance and extend the school's core National Curriculum of England as well as provide exciting and vibrant additional learning opportunities for students.

What is more, the ELP is provided at no additional cost to parents of children Years 1 to 6, with extracurricular activities costing up to AED 4000 per term in some schools.
