 Number of Emirati students	0
 Number of students of determination	13

Teachers	
 Number of teachers	24
 Number of teaching assistants	5
 Number of guidance counsellors	1

Overall Performance for ARCADIA HIGH SCHOOL

Summary of Inspection Findings 2021-2022

Arcadia High School opened in 2019. It offers the National Curriculum for England to boys and girls from Year 7 to Year 13. It is located in Barsha South. At the time of inspection, there were 91 students in Years 7 to 9. The school was inspected in March 2022. This was the first inspection since the school opened.

Mr. Pruett joined the school in 2020 and is the founding principal of the High School. There was no turnover of staff in the 2021-2022 academic year.

The school provides a good quality of education to its students. The principal and senior leaders have inspired other leaders, embedding a culture based on Islamic values and inclusion. Leaders in the school have a very good understanding of high-quality teaching for effective learning.

Other than in Arabic and Islamic education, students make good progress across all key subjects. Students of determination are well supported and generally make good progress. Students and teachers use technology well to make learning interesting. They also take part in a variety of extension activities to develop their talents and they excel in sporting and artistic events.

The school offers very high standards of security and care, and the premises are well-presented and hygienic. Parents always feel very welcome and are an important part of the school community. The KHDA Students' Wellbeing Census results for this school shows that students' level of happiness is better than that of other students in Dubai private schools. Students said that they experienced no bullying.

The next steps for the school are to ensure that:

- Students' attainment and progress in Islamic Education and Arabic is as good as it is in other subjects and that
- The quality of teaching and learning is much more consistent across all subjects.
